

Invitation

It is a great honour to inform you that Bangladesh will be hosting 10th SAARC ENT Congress , from 25th To 28th November 2016, at the Pan pacific sonargaon, organized by society of otolaryngologists and Head-Neck Surgeons of Bangladesh. The conference will gather eminent personalities from all over the world , so we would like to take the opportunity to invite you to participate in our event.

Bangladesh had the privilege of organizing the inaugural 1st SAARC ENT congress back in 1998, 6th SAARC 2008 and now Bangladesh will have the honour of organizing 10th SAARC ENT congress on her own turf once again. Considering the similarity and basic pattern of disease prevailing in the south east asia region, eminent ENT surgeons from the region, came together under one roof to form an united front, under the guidance of Prof. M. Alauddin with the intention of doing something constructive for the society. This has eventually led to the establishment of 'SAARC ASSOCIATION OF OTOLARYNGOLOGISTS'. Initially the goal was share the knowledge among the specialists from this region but now in this age of globalization the ambition is much bigger. Our goal is to bring world class renowned ENT surgeons, from all over the world, in our event so that the knowledge can transcend all the barriers and reach out the great number of surgeons participating in the conference, who has the opportunity of creating a difference in the lives of ten others.

This congress is indented to provide a proper platform for the exchange of best medical practices implemented in the field of ENT and we believe it will provide enriching experience for all of our participants.

ENT surgeons of highest eminence will be conducting academic sessions. Participants will have the opportunity of gaining knowledge in the form of scientific sessions, lectures , panel discussion, video presentation.. In addition to the knowledge being generated from these sessions , the congress will provide a good forum for doctors build a good relationship among each other and strengthen old ties. Bangladesh is also home to the longest sea beach, the largest tea gardens and some amazing exotic animal life. The people of the country are colorful and friendly and have a fascinating culture..In addition to the congress, the country will never cease to amaze you with it's natural beauty.

We truly hope that you will grace our show with your presence. Welcome to Bangladesh, Beautiful Bangladesh.
